About Our Program

All Around Language Development

Students build confidence in speaking, listening, reading, writing, grammar, pronunciation, and academic communication skills.

Real-world, Academic and Workplace English

Our curriculum uses authentic materials to build practical English for everyday, academic, and workplace use.

Personalised Learning and Progression

Classes are tailored to students' levels and learning needs, with regular monitoring to support progress and individual goals.

Digital Learning & Study Support

Students access Canvas, digital tools, and guided self-study resources to support independent learning and success.

Supportive Learning Environment

IELC offers a supportive, student-focused environment with personalised feedback, academic support, and modern teaching methods.

Our Goal

To build English proficiency, confidence, academic readiness and independent learning skills for your future success.
